INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Casa Gracia, dba Trinity Charter Schools
Austin, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Casa Gracia dba Trinity Charter Schools (a nonprofit organization), which comprise the consolidated statement of financial position as of August 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Casa Gracia dba Trinity Charter Schools as of August 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

We have previously audited Casa Gracia dba Trinity Charter Schools' 2019 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 21, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2021, on our consideration of Casa Gracia dba Trinity Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Casa Gracia dba Trinity Charter Schools' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Casa Gracia dba Trinity Charter Schools' internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2020

A. Organization:

Casa Gracia, dba Trinity Charter Schools (the “Organization”) is a not-for-profit organization incorporated in the state of Texas in 2003. In March 2004, the State Board of Education of the State of Texas granted the Organization an open-enrollment charter pursuant to Chapter 12 of the Texas Education Code in order to provide educational services to students in grades K-12. Trinity Charter Schools was opened in the 2003-2004 academic year for the sole purpose of operating a public charter school.

The Organization operates as a single charter school and conducts other non-charter activities with and through Casa Gracia NC, LLC (“CGNC”), whose sole member is the Organization. CGNC is consolidated with the charter school activities of the Organization and presented in consolidated financial statements because the Organization has a direct controlling interest in CGNC. The Organization receives the majority of its funding for charter school activities from the Texas Education Agency (“TEA”) based on the school’s average daily attendance. CGNC’s activities are managed separately from the activities of Trinity Charter School and are supported entirely through private sources. Since the Organization receives funding from local, state, and federal government sources, it must comply with the requirements of the entities providing those funds.

The Board of Trustees is comprised of five members who govern the Organization. The Board of Trustees is selected pursuant to the bylaws of the Organization and has the authority to make decisions, appoint the CEO, and significantly influence operations. The Board of Trustees has primary accountability for the fiscal affairs of the Organization and governs its programs, services, activities, and functions.

B. Summary of Significant Accounting Policies:

BASIS OF PRESENTATION

The accompanying general-purpose financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles. The Organization presents its financial statements in accordance with Financial Accounting Standards Board *Accounting Standards Codification (ASC) 958 Not-for-Profit Entities- 205 Presentation of Financial Statements*. Under *FASB ASC 958-205*, an organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

B. Summary of Significant Accounting Policies: (Continued)

CLASSIFICATION OF NET ASSETS

Net assets of the Organization are classified based on the presence or absence of donor-imposed restrictions. Net assets are comprised of two groups as follows:

Net Assets Without Donor Restrictions – Amounts that are not subject to usage restrictions based on donor-imposed requirements. This class also includes assets previously restricted where restrictions have expired or been met.

Net Assets with Donor Restrictions – Assets subject to usage limitations based on donor-imposed or grantor restrictions. These restrictions may be temporary or may be based on a particular use. Restrictions may be met by the passage of time or by actions of the Organization. Certain restrictions may need to be maintained in perpetuity.

Earnings related to restricted net assets are included in net assets without donor-restrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law.

On occasion, the governing board may designate a portion of net assets without donor restrictions for a specific purpose. Designated net assets are not governed by donor-imposed restrictions and may be reversed by the governing board at any time.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include all of the Organization's accounts. All significant interagency balances and transactions have been eliminated.

CONTRIBUTIONS

Contributions are recorded at fair value when the Organization is in possession of or receives an unconditional promise to give. In accordance with *Financial Accounting Standards Board Accounting Standards Codification 958 Not-for-Profit Entities- 605 Revenue Recognition*, contributions received are recorded as *with donor restrictions* or *without donor restrictions*, depending on the existence or nature of any donor restrictions. As donor or time restrictions are satisfied, net assets are reclassified to *without donor restrictions*. The Organization's policy is to report donor-restricted support that is satisfied in the year of receipt as donor-restricted and then fully released in the same year.

Contributed services that create or enhance nonfinancial assets or that require specialized skills that are provided by individuals possessing those skills, and which would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. Contributed goods are recorded at their fair value in the period received.

NOTES TO FINANCIAL STATEMENTS

B. Summary of Significant Accounting Policies: (Continued)

GRANTS

The Organization considers all government grants as exchange transactions rather than contributions. The Organization recognizes revenue from grants as eligible expenditures are incurred. Advances from government agencies are recorded as refundable advances. Eligible expenditures incurred in excess of grant fund reimbursements are recorded as receivables.

Any funding sources may, at their discretion, request reimbursement for expenses or return of funds, or both, as a result of any noncompliance with the terms of the grant.

SUPPORT AND REVENUE

Support and revenue are recorded based on the accrual method.

CASH DONATIONS AND DONATED SERVICES

Cash donations are considered to be available for unrestricted use unless specifically restricted by the donor. No amounts have been reflected in the financial statements for donated services since no objective basis is available to measure the value of such donations. Nevertheless, a substantial number of volunteers have donated their time in connection with the program service and administration of the Organization.

PROPERTY AND EQUIPMENT

Property and equipment purchased by the Organization are recorded at cost. Donations of property and equipment are recorded at their fair value at the date of the gift. All assets acquired with a value in excess of \$5,000 are recorded as fixed assets. Depreciation is provided on the straight-line method based upon the following estimated useful lives: furniture and office equipment – 3 to 10 years; buildings – 25 to 39 years. Gains or losses from retirement or sale of property and equipment are reflected in income for the period. The proceeds from such sales which are not legally required or expected to be reinvested in property and equipment are transferred to unrestricted net assets.

PLEDGES AND ACCOUNTS RECEIVABLE

Contributions which are in substance, unconditional, are recognized when received by the Organization. Contributions that are restricted by the donor are reported as increases in *net assets without donor restrictions* if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in *net assets with donor restrictions*. When a restriction expires, *net assets with donor restrictions* are reclassified to *net assets without donor restrictions*.

No provision has been made for uncollectible promises to give for accounts receivable as of the statement of financial position date, given that none have been identified.

B. Summary of Significant Accounting Policies: (Continued)

INCOME TAXES

The Organization qualifies as a tax-exempt organization under section 501 (c) (3) of the Internal Revenue Code and is exempt from federal income taxes except to the extent it has unrelated business activities. CGNC is considered a disregarded entity of its sole member Casa Gracia. As such, no provision for federal income taxes has been made in the accompanying financial statements.

The Organization's policy is to record interest and penalty expense related to income taxes as interest and other expense, respectively. At August 31, 2020, no interest or penalties have been or are required to be accrued. The Organization, generally, is no longer subject to income tax examinations by federal authorities for years prior to August 31, 2017.

CASH AND CASH EQUIVALENTS

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash is held in non-interest-bearing demand accounts at domestic financial institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation up to \$250,000. From time to time, bank depository accounts exceeded federally insured limits. The Organization has not experienced any losses on uninsured amounts.

COMPENSATED ABSENCES

The Organization's permanent employees accumulate, and vest vacation leave at varying rates depending on longevity. It is the Organization's policy to accrue accumulated vacation at year-end.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the Organization's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CONCENTRATION OF RISK

Financial instruments that potentially subject the Organization to off-balance-sheet credit risk include cash on deposit with financial institutions which were insured for up to \$250,000 by the U.S. Federal Deposit Insurance Corporation. At various times throughout the period ended August 31, 2020, the Organization's balance in its accounts has exceeded these federally insured limits. Investments in debt securities have been pledged by a banking institution to mitigate the risk of loss for balances exceeding FDIC insurance thresholds.

C. Pension Plan:

Plan Description

The charter school contributes to the Teacher Retirement System of Texas (“TRS”), a cost sharing, multiple-employer defined benefit pension plan with one exception; all risks and costs are not shared by the charter school but are the liability of the State of Texas. TRS administers retirement and disability annuities, and death and survivor benefits to employees and beneficiaries of employees of the public-school systems of Texas.

The plan operates primarily under the provisions of the Texas Constitution, Article XVI, Sec. 67, and Texas Government code, Title 8, Chapters 803 and 805 respectively. The Texas State legislature has the authority to establish and amend benefit provisions of the pension plan and may, under certain circumstances, grant special authority to the TRS Board of Trustees. TRS issues a publicly available financial report that includes financial statements and required supplementary information for the defined benefit plan. That report may be obtained by writing to the TRS Communications Department, 1000 Red River Street, Austin, Texas 78701 or by calling the TRS Communications Department at 1-800-223-8778, or by downloading the report from the TRS Internet website, www.trs.state.tx.us, under the TRS Publications Heading.

Charter schools are legally separate entities from the State and each other. Assets contributed by one charter or independent school district (“ISD”) may be used for the benefit of an employee of another ISD or charter. The risk of participating in multi-employer pension plans is different from single-employer plans. Assets contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers. There is no withdrawal penalty for leaving the TRS system. There is no collective-bargaining agreement. The latest TRS Comprehensive Annual Financial Report available dated August 31, 2020 provided the following information:

<u>Pension</u>	<u>Total Plan Assets</u>	<u>Total Pension Liability</u>	<u>Percent</u>
<u>Fund</u>	<u>2020</u>	<u>2020</u>	<u>Funded</u>
TRS	\$ 184,361,871,000	\$ 218,974,205,000	75.54%

Funding Policy

Contribution requirements are not actuarially determined but are established and amended by the Texas state legislature. The state funding policy is as follows: (1) the state constitution requires the legislature to establish a member contribution rate of not less than 6.0% and not more than 10% of the aggregate annual compensation of all members of the system; (2) A state statute prohibits benefit improvements or contribution reductions if, as a result of a particular action, the time required to amortize TRS’ unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action.

NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2020

C. Pension Plan: (Continued)

State law provides for a member contribution rate of 7.7% for the 2020 fiscal year. The state's contribution rate as a non-employer contributing entity was 7.5% in fiscal year 2020. The charter school's employee contributions to the system for the year ended August 31, 2020 were \$382,236, equal to the required contributions for the year.

Other contributions made from federal and private grants and from the charter school for salaries above the statutory minimum were contributed at a rate of 7.5% totaling \$111,573 for the year ended August 31, 2020. The charter school's contributions into this plan do not represent more than 5% of the total contributions to the plan. The charter school was assessed a surcharge totaling \$21,473.

D. Budget:

The official school budget is prepared for adoption for required Governmental Fund Types. The annual budget is adopted on a basis consistent with generally accepted accounting principles and is formally adopted by the Board of Directors.

E. Commitments and Contingencies:

The Organization receives funds through state and federal programs that are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to the Texas Education Agency (TEA) and is subject to audit and adjustment. Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by the charter school have complex compliance requirements and should state or federal auditors discover areas of noncompliance, charter school funds may be subject to refund if so determined by the TEA or the grantor agency.

F. Health Care Coverage:

During the period ended August 31, 2020, employees of the Organization were covered by a health insurance plan. The school contributed \$378 per month per employee to the plan and employees, at their option, authorized payroll withholdings to pay premiums for dependents. All premiums were paid to a licensed insurer. The plan was authorized by Article 3.51-2, Texas Insurance Code, and was documented by contractual agreement.

K. Subsidiary Relationships:

The Organization operates as a subsidiary of Lutheran Social Services of the South, Inc. dba Upbring (“Upbring”), a 501 (c)(3) tax-exempt organization. Upbring effectively controls the Organization in a relationship that is permitted under Title 19 of the Texas Administrative Code Section 100.1011 (14)(B) and has been expressly recognized and approved by the Texas Education Commissioner and the State Board of Education. Two of the nine charter schools served by the Organization provide on-site, specialized education for residents of treatment centers operated by Upbring. At these sites, as well as seven other residential treatment centers not operated by Upbring, the Organization leases physical space from the respective treatment center in providing on-site education services. Transactions between the organizations have been negotiated in a manner that substantially reflects arms-length negotiations.

In October 2018, Casa Gracia expanded its operations under Casa Gracia NC, LLC (“CGNC”) – a Texas single-member limited liability company that is considered a disregarded entity of its sole member Casa Gracia – in order to promote charitable, scientific, literary and educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986. At present, CGNC’s principal activity consists of providing education services to refugee children under the care of Upbring. CGNC’s activities are managed separately from the activities of Trinity Charter School and are not supported through state or federal funding. There are a total of three non-charter schools operating under CGNC.

During the year, Upbring paid the Organization \$1,139,962 for education services provided by CGNC over the course of the standard school year.

At August 31, 2020, the Organization’s charter school operations recognized a receivable from CGNC in the amount of \$650 for assistance provided in the first months of CGNC’s operations. The charter school operations also recognized \$49,500 in interagency revenue for the year ended August 31, 2020.

L. Evaluation of Subsequent Events:

The Organization has evaluated subsequent events through January 19, 2021, the date which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees of
Casa Gracia, dba Trinity Charter Schools
Austin, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Casa Gracia, dba Trinity Charter Schools (a nonprofit organization), which comprise the statement of financial position as of August 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 19, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Casa Gracia, dba Trinity Charter Schools' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Casa Gracia, dba Trinity Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of Casa Gracia, dba Trinity Charter Schools' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Casa Gracia, dba Trinity Charter Schools' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

We have audited Casa Gracia, dba Trinity Charter Schools' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Casa Gracia, dba Trinity Charter Schools' major federal programs for the year ended August 31, 2020. Casa Gracia, dba Trinity Charter Schools' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Casa Gracia, dba Trinity Charter Schools' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Casa Gracia, dba Trinity Charter Schools' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Casa Gracia, dba Trinity Charter Schools' compliance.

In our opinion, Casa Gracia, dba Trinity Charter Schools complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2020.

Report on Internal Control Over Compliance

Management of Casa Gracia, dba Trinity Charter Schools is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Casa Gracia, dba Trinity Charter Schools' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Casa Gracia, dba Trinity Charter Schools' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
