

About Us:

Since 2003 Trinity Charter Schools has been dedicated to *Educating and Empowering Students to Transform and Reclaim Their Lives.*

Our Purpose:

To empower lifelong learning to help them successfully transition into the world

Fully Accredited High School Program

“Our interactive online curriculum is designed to support your high school student with preparation for success in a digital world.”

The Reclaim Academy

Educational Goals

Our students play an active role in planning and guiding their own academic careers through student-led credit acceleration and recovery, guided graduation planning, and career exploration. These efforts result in student-led conferences that showcase academic growth and success. We believe all students are capable of great things, and we are here to support them.

Academics:

Trinity Charter Schools utilizes the Texas Curriculum Management Program Cooperative – TEKS Resources for curriculum scope, sequence, vertical alignment charts and year at a glance curriculum mapping. All content is aligned to the most current versions of the Texas State Board of Education adopted TEKS for each core subject area.

Curriculum:

- Edgenuity Learning Platform
- TEKS Curriculum
- On-Demand learning Videos
- Customization individualized learning plan
- Pathways to early or on time graduation

- ✓ **Tuition Free**
- ✓ **One to One Student Teacher Support**
- ✓ **Flexible Virtual or on Campus Support**

Edgenuity Platform Overview:

The coursework needed for graduation is completed through the web based Edgenuity program. Edgenuity provides an exciting and engaging educational environment that is designed to capture attention and draw students into the interactive world of online and blended learning.

“What future will you unlock?”

Graduation:

Students will earn a Trinity Charter Schools diploma upon completion of state and local requirements. Students are welcomed and encouraged to participate in the commencement ceremony to receive recognition of their accomplishments!
